I have read the terms and conditions

Membership Terms and Conditions

Except where expressly agreed otherwise by us in writing every member of the club shall be subject to these terms and conditions. The Players Golf Club Limited reserves the right to use discretion in all matters relating to membership.

1. Membership is continuous until revoked in writing and acknowledged. New members have a fifteen day period in which to revoke membership and receive a refund but if s/he should have played during that 15 day period then s/he will be responsible for the payment of all green fees at normal full rate.
2. The membership year begins on April 1 and subscriptions are paid annually in advance. A member joins each year for a minimum period of one year unless he joins partway through a year in which case the member is responsible for his/her subscription up to the end of the yearly period. A member should write or email to inform us that he no longer wishes to continue his membership. A member is responsible for his fees up to March 31st each year.
3. Members wishing to pay by instalments must do so by direct debit. Bank information must be supplied at the time of commencement of membership. All Direct Debits must be paid on either 1st or 15th day of each month. Paying by instalments you are agreeing to a membership up to March 31st. A member should write or email to inform us if he/she does not wish to renew his/her membership otherwise we will automatically continue with the Direct Debit payment for the following year.
4. Cancellation policy: In the event a Member or the Club cancels a membership for any reason outside of our terms and conditions, the Member is relegated to a potential applicant status and loses any loyalty status he may have accrued. A former member wishing to re-join must first pay any fees outstanding. Any former member that has not complied with this may not be signed in at guest rate, he is not allowed to play in any Open competition or in Open Week. He is not restricted from representing another club in a team match or by paying a full green fee or as a member of a visiting society.
5. Should members wish to suspend their membership they must downgrade their membership to that of Country membership in order to retain any joining fee paid or loyalty. This can only be done once and the member must inform us that he wishes to go back to his former category by March 31st (the day before the new year). The category you are in at April 1st is the category where your loyalty applies.
6. All members are responsible for their guests. A member may not introduce the same guest any more than three times in any one year.

7. Members joining mid-year will pay pro-rata to the nearest month.

8. A member upgrading a membership will have all his/her loyalty/joining/annual fees that are fully paid taken as consideration toward any new joining fee that may be applicable.

9. Members will be notified by email of any changes to subscription fees; the website will detail other changes. Invoices are sent out in February for the new year the club can't be held responsible for postal errors, the website will issue the next years subscription costs at least 50 days ahead of them being due.

10. Terms and conditions of membership may be revised from time to time and members should be aware of the terms and conditions posted on the website.

11. Subscription payments not received within one month of becoming due will result in an administration fee of £20. Should the membership not be paid up it will be considered cancelled and all services may be suspended.

12. No refund will be made on resignation for subscription payments received.

13. Rates are not inclusive of EGU, LGU or county levies. You may opt to be an associate rather than a member if you do not want to retain a handicap or if you have a handicap elsewhere in which case you do not need to pay these levies, you are considered to be an associate not a member and can only play in competitions deemed 'Open'.

14. The Club endeavours to provide golf courses in the best condition possible. This may, from time to time, result in closure of holes or parts of holes to make improvements considered to be in the best long term interest.

15. The course may be closed for extreme weather conditions or for competitions and for booked play outside of members times.

16. Platinum members for a period of six full years are entitled to £150 per year discount provided that the membership has always been continuous. For Gold Members £80, Silver £40 and Bronze and Country £25 for six years of continued membership. As at March 16th 2013 ALL Gold, Silver, Bronze and Country members were considered to have attained FULL loyalty subject to them continuing with any outstanding agreement to complete their obligations to pay their joining fees.
